Discover the all-electric E-200

In an age where rules and regulations only seem to slow you down, the all-new E-200 gives you the power to move forward with confidence.

ALL-ELECTRIC SOLUTION

that doesn't drain your vehicle battery

COMPATIBLE WITH DIESEL AND ELECTRIC TRUCKS

and with fuel-saving features like start/stop

EFFORTLESS PLUG-AND-PLAY INSTALLATION

no drive kit, no road compressor

CONSTANT CAPACITY AT ALL TIMES

independent of vehicle operation

INTELLIGENT POWER MANAGEMENT

optimizing supply and demand of power

CHANGE OF PACE

The era of electric refrigerated transport is here, and the first to embrace it will be the ones who get the most out of it. Enter Thermo King's all-electric E-200. Fit for small to medium vehicles, it delivers the kind of benefits that propel you towards a brighter future. Comply with last-mile regulations. Move around the city freely and grow your business. Move forward, with the E-200.

Ready. Set. Go

A world of opportunities is within reach. Contact your Thermo King dealer to learn more about our next step in electric refrigeration.

Thermo King is a brand of Ingersoll Rand®. Ingersoll Rand (NYSE:IR) advances the quality of life by creating comfortable, sustainable and efficient environments. Our people and our family of brands — including Ingersoll Rand®, Thermo King®, Trane® and Club Car® — work together to enhance the quality and comfort of air in homes and buildings; transport and protect food and perishables; and increase industrial productivity and efficiency. We are a global business committed to a world of sustainable progress and enduring results.
